Scott Haug Foundation - PO Box 2836 - Red Oak, TX 75154

The Scott Haug Foundation was established in 1984 in memory of Scott Haug, an Austin, Texas Audiologist. The goal of the Foundation is to keep his spirit alive through fellowship and learning. Your membership in the Scott Haug Foundation helps to support student scholars during the retreat and special projects approved by the membership. Additionally, your membership offers you a reduced cost for the annual Scott Haug Hill Country Audiology Retreat and voting privileges during the membership meeting held during the retreat.
